COMPLETION INSTRUCTION

- 1. The application has to be submitted in 2 (two) copies.
- 2. **Section A** is completed by the Applicant: Owner, Operator or certified Continual Airworthiness Management Organization.
- 3. The Applicant has to deliver with the application all documents specified in this section, transmittal letter to the CAO, copy of effecting payment of the required aviation fee (if applicable) and all documents required by the PART-M/G/I organization (as agreed).
- 4. Section B is completed by the contracted certified organization performing the airworthiness review.
- 5. The organization delivers additional documents as specified in point 20.
- 6. The completed application (2 copies) with all attachments, transmittal letter to the CAO and copy of effecting payment of the required aviation fee is transferred to the National Authority (CAO).
- 7. **Section C** is completed by the CAO.
- 8. After the ARC is issued (EASA form 15A) one copy of the ARC with a completed copy (Section C) of the application (ULC-ARC-02) is returned to PART-M/G/I organization, and further processed, in compliance with the procedure approved in CAME.
- 9. If the documentation is not complete or inaccurate, the CAO President shall ask the Applicant and the PART-M/G/I organization to complete it.
- 10. Having agreed the date of the physical survey the appropriate CAO division supervising the given aircraft shall be notified in order to facilitate the CAO inspectors direct participation in the process. Lack of notification may cause the necessity of conducting the physical survey again, including functional and check flight tests.
