Notes:

1. Please read the terms of the above Exemption;
2. Rating and possibly confirmation of Language proficiency must be valid (they cannot be renewal);
3. Revalidation may be applied only to type / class ratings whose expiration date is at the latest on July 31, 2020, and language proficiency also at the latest on July 31, 2020;
4. Revalidation may apply only to type / class ratings with the associated IR and confirmation of language proficiency;
5. Type / class rating and confirmation of language proficiency may be revalidate if the relevant operator in point 1 carries out the certification mentioned therein and only for the class / type mentioned therein;
6. The designated by operator CRE / TRE / SFE acting in accordance with FCL.1030 may revalidate the language proficiency confirmation without changing the proficiency level, i.e. extend the existing entry, e.g. English level 4 - 23/11/2020.
7. If, at the end of the four-month period specified in Section 2, the competent authority considers that the reasons for granting this exemption are still in force, the period of validity of rating or certificate may be extended for an additional period of up to 4 months or until the end of the application of this exemption, depending on what comes sooner.

PART-ORO and FCL.740/FCL.625/FCL.055 - revalidation based of EASA exemption 711/20/0147
